RE: Freedom of Information Act Request EPA-HQ-2018-00179

Dear Ms. Hollis,

Per our conversation on July 2, 2018, you agreed to modify your Freedom of Information Act (FOIA) request designated as HQ-2018-00179. Your modified request seeks data from all enforcement agreements completed with responsible parties at Superfund sites from January 1, 2014 to the present.

The enclosed Excel spreadsheet responds to your modified request. The spreadsheet includes the following: the EPA region, the site location, the Superfund site name, the site ID number, the NPL status, the type of enforcement instrument, the Superfund Alternative Agreement (SAA) indicator, the NPL listing date, the site address, and the enforcement instrument completion date and value.

You also agreed to file a separate FOIA request with the Office of Land and Emergency Management requesting Superfund site RODs and expenditure costs.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460 or through FOIAonline if you are an account holder. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1200 Pennsylvania Avenue, N.W., Room 5315, Washington, DC 20460. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals *received* after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal."

Additionally, you may seek dispute resolution services from EPA's FOIA Public Liaison at hq.foia@epa.gov or (202) 566-1667, or from the Office of Government Information Services

(OGIS).
